

We enthusiastically recommend Mandy Carter-Zegarowski as a coach and mentor of young women. We have known Mandy for over 7 years, and she has consistently been an exceptional leader for her teams, her family and within the community at large. Not only is she deeply concerned about her players, she genuinely cares for their families too.

Mandy was the highly successful Girls' varsity basketball coach at Ipswich High School for 10 years, and is a seasoned and insightful coach. She will perceptively help nurture your daughter's passion and knowledge of the sport. She has been a trusted mentor for our teenage daughter; providing loving, supportive counseling when it was most needed. Mandy patiently listened to our daughter and helped guide her through some very difficult times. In the process our daughter regained her self-confidence and love for the game. As a parent it was wonderful to see our daughter confide in Mandy and respond so positively to her mentorship.

It is a difficult to understand NCAA rules and regulations, and Mandy has considerable experience in dealing with these important requirements. She will provide even-handed direction for players who desire to play collegiately and clarity for their parents. In so many ways she can help your daughter strive for and achieve her potential.

As a parent of 4 children, she understands what it takes to nurture and develop adolescents. We have been blessed to get to know Mandy and can easily say that you will not be disappointed if she is your daughter's coach.

Sincerely,
Ivette & Dave Shelbourne
